KNOW YOUR SCHOOL

Greetings to all the parents and well-wishers.

Established in 2009-10, Anant Utsav School is run by Anant Utsav Shiksha Avam Samaj Sudhar Samiti. When the need of an English medium school with high standard was felt in Mandideep, a group of young, enthusiastic and goal driven Indians came together to fulfill that demand.

AUS caters the needs of high-quality education with holistic development of the learner, at very affordable fees. Anant Utsav School is also the first CBSE School in Mandideep. We, at Anant Utsav School, believe in creating a learning environment, where the teachers are key learners, committed to discovering and providing the best educational environment for each student.

Our programme is based on the national curriculum of India. We offer a curriculum that is broad and balanced and meets our aims. We provide each child with a high quality of education within a happy and caring community, pursuing excellence in each child.

We will enable our children to identify and develop unique qualities, realize their true potential, identify and fulfill their emerging aspirations and take a full and active part in making a better society.

OUR VISION AND MISSION

Anant Utsav School aims to be an institution of excellence where sound ethical values, character, wisdom, leadership, service and academic achievements are encouraged in a safe and nurturing environment.

PRINCIPAL'S MESSAGE

Welcome to Anant Utsav family!

We are very excited for the new academic session. We are committed to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners to thrive in the twenty-first century.

Our teachers are working hard to prepare engaging and rewarding learning experiences for all students in the new session. At Anant Utsav, we place high value on our partnership with parents. We invite the parents to be an active part of helping students to achieve their full potential. We consider it a privilege to work with kids every day to help them to be their very best selves.

We believe that each and every student has a gift to share with the world, and we work hard to unlock their highest potential. We have high expectations from our students, and we have high expectations of ourselves to help all students learn and grow into well-rounded citizens and critical thinkers.

Our curriculum emphasises the acquisition of knowledge, understanding, critical thinking, and problem-solving abilities for all students. We believe that every learner is unique and special and that they all have the ability to learn. We believe it is our responsibility as educators to nurture and develop every learner to prepare them for life.

We strive for excellence by preparing students for learning beyond their school years and assisting them to become lifelong learners, as well as helping them to be self-directed, realistic, and responsible decision makers when solving problems that they will encounter in our multicultural, ever-changing world.

We also aim to develop leadership skills, social and emotional skills, and academic skills to prepare students for success not only in school but also in career, relationships, and life-long learning. Students need both high challenge and high support to grow as learners, and we look forward to helping students maximize their growth at Anant Utsav.

I wish all the students and parents a wonderful school year.

Shaping The Pacesetters Of Tomorrow

Cultural activities

Today's education system is not just confined to academics but modern-day schools focus on imparting skills to students like personality development, confidence building, communication skills, etiquettes, etc. Cultural activities come into play in instilling these skills in the students. Encouraging students to participate in cultural activities is the most effective way to inculcate personality-related skills.

The Connection With God

Every child is a flower of its own kind and all together they make this world a beautiful garden. We take pride in creating an ambience for learning that invigorates and unfolds the true potential of every child, right from the assembly time. We call it, "Praying and paving our way to excellence."
